Caste Class And Power Changing

André Béteille's Caste, Class and Power has grown out of his fieldwork in Sripuram in Thanjavur District, Tamil Nadu. The book's main strengths are the clarity of its descriptive analysis of the three caste groups and agrarian classes, as well as the interactions between them; and the force of its theoretical argument about the relationship between the caste structure, the class system ...

Caste Class And Power Changing Patterns Of Stratification ...

The relationship between caste, class and power has to be examined in the context of change. Because of the introduction of democracy, land reforms and many other measures, change has been an important feature of this relationship over the last few decades. The distribution of power has acquired a very dynamic character over the last two decades.

CASTE, CLASS AND POWER: CHANGING PATTERNS OF By Andre ...

This chapter investigates the changing relations between caste, class, and power. The distribution of power creates a hierarchy which is different from the hierarchies of caste and class. The relations between class and power, and the role of caste in party politics are then examined. Sripuram constituted an agraharam village. One can obtain a variety of class positions with different degrees of probability, whatever one's position in the caste structure may be.
