Standards-based grading aligns grading with the state academic standards as measured by consistent and accurate student achievement data and common criteria for grading. In English Language Arts (ELA), the report content is aligned to the PA Common Core approved in July of 2012. The report card accurately communicates achievement of learning targets to students, parents, and educators.

### **Curriculum & Instruction / Standards Based Report Cards**

Standards automatically flow to report cards One of the first steps in standards-based learning is to write learning targets. They are used to build rubrics, assessments, report cards, etc. Since TeacherEase is a complete system for standards-based learning, learning targets for each course will automatically show up on report cards.
