Cracking India A Novel

Bapsi Sidhwa's novel, *Cracking India*, is set against the momentous backdrop of the partitioning of India, a bloody, grim, and violent event that created two countries out of one. The clever use of a four-year-old girl, Lenny Sethi, as her first-person narrator affords Sidhwa the opportunity to incorporate extremes of emotion that might be experienced by a child.

Cracking India Summary & Study Guide

Cracking India provides a timely reminder that contemporary American rhetoric of the “War on Terror” and post-9/11 politics echoes eerily that which is recorded in this novel. Sidhwa personalizes the history of political unrest in South Asia and the Middle East, an issue as pertinent today as it was in 1980, when the novel was first published.

Introduction to Cracking India

Bapsi Sidhwa's *Cracking India* will expand and alter your view of India, Pakistan, and the British Raj. Using a child-narrator, a literary device over-employed and often unsuccessful, this author has found the perfect vehicle for conveying the heart-breaking story of the Partition of India in 1947, without being coy and without descending into bathos.
