Your bird definitely won't want to be sung to sleep after receiving this little gem. Made with smaller species in mind, your bird can chomp and chew their way through most of this toy as it consists mainly of natural willow and that all important coloured crinkled paper. We think you'll like these too...

4.0 out of 5 stars Aside from one minor annoyance, a very nice little toy. Reviewed in the United States on July 14, 2018. Color: Varies Verified Purchase. This is a nice little bird toy. For seven or eight bucks, this is a good product. The mount at the top is secure and doesn't feel like it will break or detach from the main body of the toy, even with a bird or two hanging on it.
