I have been struggling with not being able to find the ICC profiles for my EPSON SC-P800 printer. The profiles do not show up in the pull down list of profiles when I go to print in LR. My EPSON software installer says all of my EPSON software is up to date but I don't see the profiles listed when I open the ColorSync utility.

Hi I am a longtime Epson 3880 user and I had to replace it this weekend with a SC P800. I cannot find Epson paper ICC profiles anywhere, so I am having to soft proof using teh 3880 profiles, which I am not happy about. Epson do not have these on their site,(except for a few leagacy profiles). AM I m...
