The harem refers to the area of the sultan's household that belonged to the women. It was a perfectly sealed sanctuary with no view or direct route to the outside, accessible only to those who knew the route. It contained living quarters for the sultan's mother, his wives, his sisters, his daughters, and the female servants and slaves.

A harem may house a man's wife or wives, their pre-pubescent male children, unmarried daughters, female domestic workers, and other unmarried female relatives. In royal harems of the past, concubines of the prince were also housed in the harem. In former times some harems were guarded by eunuchs who were allowed inside.
