Historical Linguistics : An Introduction by Lyle Campbell. Overview -. The new edition of a comprehensive, accessible, and hands-on text in historical linguistics, revised and expanded to reflect recent developments in the field. This accessible, hands-on textbook not only introduces students to the important topics in historical linguistics but also shows them how to apply the methods described and how to think about the issues.

### **Historical Linguistics : An Introduction by Lyle Campbell**

Historical linguistics is the study of how and why language changes—both the methods of investigating language change and the theories designed to explain these changes. This highly accessible introductory text takes a hands-on, how-to approach, rather than just talking about the subject as many texts do.
