CRANES CATALOG 5 ABoUt Us Ace Industries, Inc., founded in 1932, is one of the largest overhead crane and hoist distribution, manufacturing, and service companies in the United States.

CRANES CATALOG - Ace Industries

Parts of an overhead crane. Cranes lift and lower loads with a hoist that is attached to a trolley. The trolley moves back and forth along a bridge. The bridge moves along a runway. Some cranes – such as a jib crane – don't have a bridge but still have a hoist attached to a trolley and can move a load in a horizontal direction. A bridge crane is defined as a crane, fixed or able to move along track (s) having at least one primarily horizontal girder and equipped with at least one ...
