The chess pieces are then arranged the same way each time. The second row (or rank) is filled with pawns. The rooks go in the corners, then the knights next to them, followed by the bishops, and finally the queen, who always goes on her own matching color (white queen on white, black queen on black), and the king on the remaining square.

How to play chess | Howtos.ng

1. Start the game with the player who has the white pieces. The player who has the white pieces always starts a game of chess. Choose any one of your pieces that is able to move and put it in its new space. After the player with the white piece takes their turn, play alternates to the player with the black pieces.
