Step 1, Know the five vowels. The Spanish language uses the same vowels that are used in the English language, "a," "e," "i," "o," and "u." There are five vowel sounds that you should become familiar with. Unlike the English language, each of these vowels always makes the same sound in every single word. Also remember that vowels are never silent when you are pronouncing Spanish words. Step 2, Say the letter "a." The letter "a" in Spanish is sounds like the "a" in the word "father." If a ...
