How our names shape our identity. September 15, 2013. A court forced this child's parents to change his name from "Messiah" to "Martin." He's probably better off. Screen shot.

How our names shape our identity - The Week

The sense of personal identity and uniqueness that a name gives us is at the heart of why names interest us and why they are important to us as individuals and to our society as a whole. In spite of their importance, though, most people know very little about names and about the effects they have on us and on our children in everyday life.
