Language Arts Phonics Abeka

Phonics instruction is the culmination of the Abeka intensive phonics program. After reviewing vowel sounds, consonant sounds, and how to blend them together, students learn consonant blends, diphthongs, digraphs, and clue words to help them remember these sounds. Students apply what they have learned on a deeper level than first grade. Language concepts learned in first grade are

Don't get me wrong, the foundation of the program is great. But as with everything in life, less is more. So many of the items in the kit and in the phonics section of the Abeka catalog can be bought or made at a fraction of the cost, can distract your child from the real work of reading, and can add a tedious amount of extra busywork because the program was designed for classroom use.
