### **Machines De Tinguely - atleticarechi.it**

As a creator of kinetic works of art, Jean Tinguely counts among the great pioneering artists of the second half of the twentieth century. At the heart of his work was a preoccupation with the machine. What interested him most was how machines work, how they move, the noises they make and their intrinsic poetry.

### **Biography Jean Tinguely | Museum Tinguely Basel**

Jean Tinguely is famous for his playful, boldly kinetic machines and explosive performances. Everything had to be different, everything had to move. Precisely twenty-five years after his death, the Stedelijk opens a Tinguely retrospective: the largest-ever exhibition of the artist to be mounted in a Dutch museum.
