### **Machinist Handbooks products for sale | eBay**

It may be the best, but it is also one of the most expensive, weighing in at just over \$70 a copy, the Machinery handbook is an investment, an investment that will last you a lifetime. Lucky for the poor apprentice a second-hand copy can usually be picked up for less than half the price of a new version. Each edition adds more pages and more information to stay relevant in a modern engineering workshop so I would recommend buying the latest edition that you can afford. Machinists' And ...

#### **Machinery's Handbook (27th Edition) & Guide to ... - Knovel**

2559 The American Machinist's Handbook is similar to Machinery's Handbook, but is out of print. The last edition is 1955, although some copies were reprinted in 1980's? but these were not updates just a reprint. I treasure mine as it contains a lot of information on tooling not covered in Machinery's Handbook.
