Problem is the Mastercam software I have does not have a Haas machine loaded into the program. Am I needing a post processor, or machine definition? Os are they the same? I found something on a website that has a list of 'post processors' and they had 1 download for a Haas, but unfortunately the file says "Mastercam X5 MMD".

Thomson, with more than 22 years of advanced Mastercam post-  
processing experience, knows this better than most. His  
company, Postability, focuses on the development of quality,  
custom NC post processors and services exclusively for  
Mastercam CAD/CAM systems. It was the first company outside  
of the Mastercam Reseller channel to do so.
