Interestingly, in the age of Sexual Liberation, age differences in general are becoming less and less socially acceptable. There's now a concept that it's impossible for a 20 year old to give proper informed consent to a 45 year old, and thus such a relationship is considered "gross." Incest often falls into a "big age difference" category.

In the age of Sexual Liberation, why is incest still ...

Overall, mental health conditions occur in Black and African American (B/AA) people in America at about the same or less frequency than in White Americans. However, the historical Black and African American experience in America has and continues to be characterized by trauma and violence more often than for their White counterparts and impacts emotional and mental health of both youth and adults.
