ORCID. New Testament Studies now requires that all corresponding authors identify themselves using their ORCID iD when submitting a manuscript to the journal. ORCID provides a unique identifier for researchers and, through integration in key research workflows such as manuscript submission and grant applications, provides the following benefits:

New Testament Studies - Cambridge University Press

Here is a list of good journals that I use and recommend for studying the New Testament. These journals fall roughly into two categories: academic and semi-popular. These categories should be taken as a very rough guideline, though, since the level of technicality vs. broad readability will vary a great deal from article to article....
