The fire of Glorious, having once been captured in a blade, seemed in no hurry to inhabit another, or indeed to leave Jace's body for any kind of vessel. Brother Zachariah had told Clary that in the earliest days of Shadowhunters, the Nephilim had sought to capture heavenly fire in a weapon, something that could be wielded against demons.

CITY OF HEAVENLY FIRE was a well-written, intense, emotional read...though there's really nothing I can summarize about the story without revealing who survived the Dark War. What I will say is that those who colluded with Sebastian in his attempt to destroy the Shadowhunters are punished viciously for their crimes.

Heavenly fire is the divine fire of Heaven and the power that runs through the veins of angels. Description. The heavenly metal adamas is one substance infused with generic heavenly fire, and it is this fire that powers seraph blades. The power of the heavenly fire in seraph blades becomes even greater when the spirit of the angel's name is called, imbuing the blade with the power of the angel and causing the blades to glow from within.
