I spent some quality time this past week with D. Hayden's A Field Guide to Sprawl (New York 2004). This is a fantastic book. It provides some (mildly tongue and cheek) definitions for the various types of sprawl visible in the American landscape. The great thing about this book is that it provides an archaeological...

### **Sprawling Landscapes | Archaeology of the Mediterranean World**

The first four pages of the article unpacks the wide range of theoretical perspectives that hang precariously on the concept of landscape in Mediterranean archaeology. For anyone interested in Mediterranean landscapes, this is an almost ideal primer and it broadly frames the work of the Settled and Sacred Landscapes of Cyprus project.

### **Cypriot Landscapes | Archaeology of the Mediterranean World**

It's taken me about five years to wrap my head around the landscapes of the Western Argolid. It feel like one of those crazy Möbius strips where space bends back onto itself and opposite points end up being on the same plane. Part of the challenge is that I've spent so much time looking down or...
