America's face is changing. Fast. - CNNPolitics

The Changing Face of America The United States has always been a nation of immigrants, but in recent years the racial and ethnic composition of the country has begun to change as immigrants have arrived from different areas than in the past. From colonial days, immigrants have shaped our national culture and left their mark on the landscape.

The Changing Face of America - Population Reference Bureau

Unit 5 : The Changing Face of America (1855–1925) Unit Five explores the increasing diversity of American life and literature as more women began to write, and as immigration and industrialization changed the way Americans lived. Part 1 explores women's literary voices, focusing on works by Emily Dickinson, Julia Alvarez, and others.

In this first report of the New American Mainstream series, we'll talk numbers by ethnicity and age, and will identify the top markets that hold the highest opportunities for

Understanding The New American Mainstream

Title: Landing at Ellis Island Date Created/Published: [1902] Summary: Emigrants coming up the board-walk from the barge, which has taken them off the steamship company's docks, and transported them to Ellis Island. The big building in the background is the new hospital just opened.

UE: HTY 110HA: Immigration: The Changing Face of America: Home

It is changing the face of America. And while most of the changes are good, they do present challenges which demand more both from new immigrants and from our citizens. Citizens share a responsibility to welcome new immigrants, to ensure that they strengthen our nation, to give them their chance at the brass ring.
