"A Colder War" is an alternate history novelette by Charles Stross written c. 1997 and originally published in 2000. The story fuses the Cold War and the Cthulhu Mythos. The story is set in the early 1980s and explores the consequences of the Pabodie expedition in H. P. Lovecraft's At the Mountains of Madness. Although the story has similarity to the later Stross novel The Atrocity Archives, they are set in different universes. Teresa Nielsen Hayden describes the story on Making Light as, "the O
