As the title suggests, the author presents within this book four essential pillars of successful investing. Each section of the book is then dedicated to investigating and detailing each of these pillars and they are: 1) Theory 2) History 3) Psychology and 4) Business.

### Amazon.com: The Four Pillars of Investing: Lessons for ...

The four pillars: Theory of Investing (returns are directly linked to risk), the History of Investing (understand past performance to build a portfolio, not to chase returns), the Psychology of Investing (stay the course!), and the Business of Investing (long-term, low-cost index funds will statistically beat any actively managed plan).

### The Four Pillars of Investing by William J. Bernstein

Investing is like losing weight. To lose weight, you have to exercise more, eat less and eat right. Simple, but not easy. To become wealthy, you have to save more, spend less, and invest right. Simple, but not easy. His thoughts and writings have a place in any serious conversation about investing. Yet, they are elegant in their simplicity.
