This is an inspiring but heart-breaking story, well-written, of the hospital in Ethiopia built by two courageous Australian Christian doctors. I don't usually like doctor books, but this one is much more than that, and I have been truly enthralled with it. How blessed we are, to live in a country based on Christian principles.

This is the story of Drs. Catherine and Reg Hamlin, and the hospital they built along the banks of a river in Ethiopia. Newly married, these two Australian doctors decided to pick up and relocated to Addis Ababa, Ethiopia. They arrived in the twilight years of Emperor Haile Selassie's reign, first working in a general hospital in the city.
