In the book, "The Marvelous Thing That Came from a Spring" by Gilbert Ford I learned about how the toy slinky really came to life through an "accidental invention". I feel that throughout this book the author's purpose was to not only entertain us with amazing illustrations and creative text, but to behinds the scene intentionality inform us about how the slinky came to be.

The Marvelous Thing That Came from a Spring: The ...

In The Marvelous Thing, the author makes it sound like Richard decided the spring could be a "toy" and in Toys! Amazing Stories, Wulffson gives Betty credit for identifying it as a toy after her husband demonstrated what he'd discovered it could do.
