Hans Magnus Enzensberger's *The Number Devil: A Mathematical Adventure* takes 12 year old main character Robert through a series of 12 dreams with a number devil, opening Robert's eyes to the wonders of math and numbers. Robert is not a fan of math, but he begins to dream about a mysterious, confident, and eccentric number devil who teaches him about many of the fascinating types of numbers and their properties.

The Number Devil: A Mathematical Adventure - Kindle ...

The book, *The Number Devil*, by Hans Magnus Enzenburger is about a boy struggling in math class. Once he goes to sleep, he has dreams about a number devil that helps him learn math. The book is pretty good to me because I struggle in algebra at times. The author does a good job by showing different illustrations of math problems to Robert.
