Yet, Jonathan Phillips's book does fill an important gap. In fact, the last major monograph on the 'Second Crusade' was published in 1866 (Bernhard Kugler, Studien zur Geschichte des zweiten Kreuzzugs [Stuttgart]). A new synthesis was therefore urgently needed which would fully take into account the modern studies in history of the Crusades.

The Second Crusaders Arrive in Constantinople. by Jean Fouquet (Public Domain) The Second Crusade (1147-1149 CE) was a military campaign organised by the Pope and European nobles to recapture the city of Edessa in Mesopotamia which had fallen in 1144 CE to the Muslim Seljuk Turks. Despite an army of 60,000 and the presence of two western kings, the crusade was not successful in the Levant and caused further tension between the Byzantine Empire and the west.

Second Crusade - Ancient History Encyclopedia

The Second Crusade (1147-1150) was the second major crusade launched from Europe. The Second Crusade was started in response to the fall of the County of Edessa in 1144 to the forces of Zengi. The county had been founded during the First Crusade (1096-1099) by King Baldwin I of Jerusalem in 1098. While it was the first Crusader state to be founded, it was also the first to fall.
