It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

And the story of us looks a lot like a tragedy now. Next chapter. How'd we end up this way? See me nervously pulling at my clothes and trying to look busy, And you're doing your best to avoid me. I'm starting to think one day I'll tell the story of us, How I was losing my mind when I saw you here, But you held your pride like you should've held me.
