The Wars follows a young Canadian soldier named Robert Ross who is fighting in World War I. Although the main storyline takes place between 1915 and 1922, the narration occasionally switches to interviews with Juliet d'Orsey and Marian Turner (who knew Robert during the war) during the novel's contemporary time period, roughly sixty years after World War I. Additionally, Findley inserts the reader into the narrative by making them a participatory character who is looking through archives ...
