...

William Rufus inherited the Anglo-Norman settlement detailed in the Domesday Book, a survey undertaken at his father's command, essentially for the purposes of taxation, which was an example of the control of the English monarchy. If he was less effective than his father in containing the Norman lords' propensity for rebellion and violence, through charisma or political skills, he was forceful in overcoming the consequences.

William II of England - Wikipedia

William Rufus (The English Monarchs) William was a thick set and muscular man, built in a similar mould to his father, he had a florid and choleric complexion, from which derived his nickname 'Rufus', he had his father's red hair and eyes of different colours and spoke with a stutter. William II Rufus - English
