Winter in the Blood (1974), the first novel by James Welch, is set on the Fort Belknap Indian Reservation in Montana, which is located forty miles south of the Canadian border and twenty miles north of the Missouri River. It is the fourth largest Indian reservation in Montana; more than five thousand people live there.

Winter in the Blood | Encyclopedia.com

Winter in the Blood is a flaneur type novel about a man of Native American descent living somewhere in the USA's "mid west". He isn't living on a reservation and he doesn't exclusively associate with other people from his tribe, and though details of the plot and his character are, of course, rooted in his identity as an indigenous person, the ways in which his ennui and despair and frustration manifest is the same as it manifests for all the white men who starred in earlier ...
